No : F.7(04)/16/P&P/DSSSB / Vol.I 5822

Dated : 07.10.2021

OFFICE MEMORANDUM

Each year, DSSSB conducts recruitment examinations for about 10-15000 vacancies of Group B and C posts of GNCTD departments, MCD, NDMC and their autonomous bodies. During the year 2020, no examination could be conducted due to strict lockdowns and containment measures in view of COVID -19. During the year 2021, DSSSB has strived to clear the huge backlog of recruitment examinations for tackling the staff shortage in the user departments and providing employment opportunities for applicant candidates.

2. Hence starting from January 2021, DSSSB has undertaken the Tier – I, Tier- II and Skill examinations while simultaneously ensuring the COVID-19 related safety measures. Thus, out of the total 204 post codes for which advertisements were issued during the years 2013 to 2021, DSSSB has completed / scheduled examinations as follows –

	2013-2019 Advertisement posts	2020 Advertisement posts	2021 Advertisement posts	Total

3. Thus, out of the 204 post codes, the Board is scheduled to complete examinations of all the post codes advertised during 2013 to 2020 by November – end, 2021. The examinations of the balance 21 post codes with 1390 vacancies, which were advertised in 2021, will remain to be scheduled. For each such recruitment, the user departments and DSSSB have to follow the mandated process covering determination of vacancies/ reservation roster, online requisition, vacancy advertisement, conduct of exams, declaration of results, processing of dossiers, offers of appointment, and joining of candidates. To improve integrity and efficiency of this long drawn process, DSSSB has institutionalized the following reform measures during the past few months -

- Notifying Waiting Panel with the main result and delegating authority to the user departments to enable faster substitution from the Panel. The formal circular on this can be accessed at <https://dsssb.delhi.gov.in/content/office-memorandum-reg-revised-waiting-panel-policy>;
- Capturing Identity Proof and Postcard size Photo of candidate and providing these to the user departments, along with the dossiers of selected candidate;
- Facilitating the user departments in Biometric verification using fingerprint data of candidates captured during DSSSB exams to enable faster verification. A detailed SoP on this available at <https://dsssb.delhi.gov.in/content/office-memorandum-sop-facilitating-user-deaprtments-performing-biometric-and-photograph>.

4. Continuing in this direction, DSSSB reviewed the examinations undertaken in the past several years. It was noted that there were several cadres / posts with same or similar nomenclature and work profile for which examinations were held separately in the same year. A lot of administrative time and efforts of DSSSB were being consumed in organizing separate examinations for similar postcodes though the posts had similar nature of work profiles, minimum qualifications and exam syllabus / scheme. This led to inevitable delays in completion of recruitment processes. Further, the eligible candidates had to apply repeatedly for the same post of different user departments. In few cases, as the same candidates were

shortlisted and nominated for multiple posts, some vacancies remained unfilled due to non-joining of such candidates. Such delays and non-joining deprived other candidates of employment opportunities and also put the user departments at inconvenience due to shortfall of regular staff.

5. Hence DSSSB undertook analysis of RRs, minimum qualifications, and work profiles of various posts/ cadres of GNCTD departments, MCD, NDMC and their autonomous bodies. DSSSB also assessed the extant system of combined examinations followed by Union Public Service Commission (UPSC) and Staff Selection Commission (SSC) for the Combined Graduate Level (CGL), Combined Higher Secondary Level (CHSL), and Civil Services Examinations. Accordingly, the proposal of combined exams for the posts with substantial commonality in RRs was considered by the Board. Such combined examinations will reduce the number of annual examinations and optimize the time, energy and public money invested in recruitments. They will ensure faster conduct of examinations and filling up of notified vacancies. Such examinations will also benefit candidates as they don't have to appear for multiple examinations of the posts with similar qualifications and work profiles.

6. Accordingly, in pursuance of the approval by HE Lt. Governor to this proposal, DSSSB will start the process of **conduct of combined examinations** for the following cadres / posts of the user departments **on prospective basis** –

7. DSSSB will follow the schematic framework of UPSC and SSC for conducting such combined exams for the above posts, including -

- a. seeking indents for the above posts from the user departments on annual basis for conducting combined exams,
- b. updating the OARS portal of DSSSB to enable marking of candidate's choice and preference for the various posts at the time of Document Verification,
- c. issuing combined advertisement for the multiple posts in each group as above,
- d. indicating all the eligibility conditions for each post under the combined exam, including those relating to Physical Standards, Physical Tests, Skill Tests, etc,
- e. indicating tentative vacancies and reservation scheme in the initial advertisement,
- f. uploading updated vacancy position on the DSSSB website / OARS portal,
- g. seeking choice and preference from the shortlisted candidates only and at the time of Document Verification,
- h. cautioning the candidates to ensure that they fulfill all the eligibility conditions for each post of their choice, including those relating to Physical Standards, Physical Tests, Skill Test, etc
- i. treating such options indicated by the Candidates as final for purpose of selection and allocation of post,
- j. drawing separate nomination lists based on merit-cum-preference basis after evaluating dossiers and factoring the age, experience, skill, etc. requirements of respective user departments,
- k. allocating posts to candidates as per merit-cum-preference of the candidates, and
- l. not considering a candidate for any other option once he/ she has been allocated his / her first available preference, as per the inter-se merit.

8. The above schematic framework will be operationalized for the combined examinations only and on prospective basis. The Board will start issuing the advertisements for such combined examinations for the above posts / cadres of the user departments and conduct them from the year 2022 onwards. The detailed SOPs on advertisement, result processing, waiting panel, and other operational aspects will be issued in due course.
